

Yusef M Hazimeh,

Mailing Address: Clemenceau Medical Center. Endocrinology clinic, first floor. Clemenceau street. Beirut, Lebanon
Phone: 961-81806768 Fax: [] E-Mail: [hazimeh_youssef@hotmail.com]

Citizenship: USA, Lebanon

Education

Undergraduate Degree

07/1994 – 06/1997

American University of Beirut, Beirut, Lebanon

BS Biology

Graduate Degree

07/1998-11/2002

American University of Beirut, Beirut, Lebanon

Doctor of Medicine - 06/2002

Certification/Licensure

New York State Medical License: July 2007

License in Lebanon: 2002

Certification:

American Board of Internal Medicine: Internal Medicine. August 2007

American Board of Internal Medicine: Endocrinology, diabetes and Metabolism: November 2014

American Board of Internal Medicine: Geriatric Medicine as of October 2016

Given Presentations

1. **Transfusion Related Acute Lung Injury.** 3/8/2005.
Presentation to Internal Medicine Residents
SUNY, Upstate, Department of Medicine.
2. **Embolic Events Associated with Aortic Atherosclerosis.** 9/5/2004.
Presentation to Internal Medicine Residents
SUNY, Upstate, Department of Internal Medicine.
3. **Ethylene glycol intoxication.** 4/6/2005.
Presentations to Internal Medicine Residents
SUNY, Upstate, Department of medicine.

4. **Osteoporosis in Men: When and who should be screened.** 12/8/2004.
Presented in Noon Conference to Students and Residents as well as Attending Physicians. SUNY, Upstate, Department of Internal Medicine.
5. **Diagnosis and Management of Irritable Bowel Disease.** 7/5/2005.
Presented to Internal Medicine Residents
SUNY, Upstate, Department of Internal Medicine.
6. **Lung Disease in Rheumatoid Arthritis.** 11/20/2005.
Presented to Rheumatology faculty and fellows during a one-month elective in Rheumatology. SUNY, Upstate, Department of Internal Medicine.
7. **Etiology and Management of Hyperkalemia in Hospitalized Patients.** 1/23/2006.
Presented to fellows and residents during an Endocrinology elective rotation.
SUNY, Upstate, Department of Internal Medicine.
8. **Insomnia in Elderly.** April 2007.
Indiana University Purdue University Institution (IUPUI), Geriatric Department, Indianapolis, Indiana.
9. **Pandemic 2009 H1N1 virus.** September 2009.
Presented to medical staff at E. J Noble Hospital
10. **Evaluation and Management of Paget 's disease.** July 2012
Albany Medical College.
11. **Evaluation and Management of Gynecomastia.** August 2012
Albany Medical College.
12. **Osteoporosis in Anorexia Nervosa. Presentation and management.** August 2012. Albany Medical College.
13. **Euthyroid Sick Syndrome: Clinical Presentation and Evaluation.** September 2012.
Albany Medical College
14. **Management of Diabetes Myelitis post-bariatric surgery.** September 2012.
VA Hospital, Albany NY
15. **Management of Diabetes Mellitus in patients with Bariatric surgery.** October 2012, VA hospital.
Albany, NY
16. **Evaluation of Androgen excess in Women.** October 2012
Albany Medical Center.
17. **Pheochromocytoma: Clinical Presentation, Evaluation and Management.** November 2012. Albany Medical College
18. **Management of Diabetes Mellitus in Lipodystrophy.** November 2012.
Albany Medical College
19. **Evident Mineralocorticoid Excess: Work up and management.** December 2013
Albany Medical Center
20. **Adrenoleukodystrophy: A case presentation and overview.** December 2012.
Albany Medical College
21. **Silent thyroiditis: Overview of etiology and management.** January 2013.
Albany Medical College
22. **Subclinical hypothyroidism: when to treat?** January 2013.
Albany Medical College.
23. **Hypoglycemia post Bariatric Surgery. Evaluation and Management.** April 2013
Albany Medical College
24. **Overview of hyperparathyroidism post-bariatric surgery.** February 2013.
Albany Medical Center
25. **Testosterone deficiency and erectile dysfunction in men.** February 2013
Albany Medical College.
26. **Low testosterone in women: Overview and management.** March 2013
Albany Medical College.
27. **Subclinical Cushing Syndrome. Case presentation and management.** March 2013.
Albany Medical College
28. **Aromatase inhibitors in treatment of male hypogonadism.** March 2013

- Albany Medical College
29. **Polyuria and Diabetes Insipidus post pituitary surgery.** April 2013
Albany Medical College
 30. **Hypogonadotropic Hypogonadism Before and After Puberty. Evaluation and Management.** April 2013. Albany Medical College
 31. **Thyroid Storm: clinical presentation and management.** May 2013.
Albany Medical College
 32. **Overview of combination therapy for osteoporosis.** May 2013
Albany Medical Center.
 33. **Evaluation and Management of Adrenal Carcinoma.** June 2013
Albany Medical College.
 34. **Hypoglycemia post-bariatric surgery.** June 2013
Albany Medical College.
 35. **Medical management for non-surgical Cushing's syndrome.** June 2013
Albany Medical College
 36. **SDHB mutation and familial paragangliomas: case presentation and review of literature.** Albany Medical College. July 2012.
 37. **Genetic of paraganglioma and pheochromocytoma.** August 2013. VA Hospital, Albany, NY.
 38. **Oncocytic (Hurthle cell) Carcinoma of thyroid: presentation and management.** January 2014, Albany Medical College, Albany. New York.
 39. **Resistant to treat hypercholesterolemia: new emerging therapy.** March 2014. Albany Medical College. Albany, NY
 40. **Inpatient management of Diabetes.** July 2017. Arnott Ogden Medical Center. Elmira, NY.
 41. **Approach to hyperthyroidism in Pregnancy.** April 3rd, 2018. Clemenceau Medical Center- Affiliated with John's Hopkins. Beirut, Lebanon
 42. **Approach to Thyroid Nodules.** Reviewing the latest ATA guidelines. October 23, 2018. . Clemenceau Medical Center- Affiliated with John's Hopkins. Beirut, Lebanon
 43. **Management of Osteoporosis in Elderly.** Obaidallah Geriatric Hospital, Ras Elkhaymah, UAE September 22, 2019.
 44. **Diabetes in Older Adults:** Obaidallah Geriatric Hospital, Ras Elkhaymah , UAE , September 23, 2019
 45. **Subclinical Hyperthyroidism:** An update from ATA guidelines. Presented to Lebanese Society of Endocrinology, Diabetes, and Lipidology. February 2020, Smallville Hotel, Beirut.
 46. **Approach to thyroid nodules:** Faculty of medicine, Lebanese University, Hadath, Lebanon. December, 2020.
 47. **Hypogonadism and gynecomastia: a general approach. :** Faculty of medicine, Lebanese University, Hadath, Lebanon. December, 2020.
 48. **Evaluation of Hypoglycemia:** Faculty of medicine, Lebanese University, Hadath, Lebanon. December, 2020.
 49. **Overview of hyperthyroidism:** Faculty of medicine, Lebanese University, Hadath, Lebanon. December, 2020.
 50. **Normal Glucose Homeostasis:** Faculty of medicine, Lebanese University, Hadath, Lebanon. April 8, 2021.

Previous Residencies/Fellowship

7/2012-6/2014

Endocrinology Fellow
Albany Medical College
Albany, NY, 12208
Program Director: Dr. Sara Clark

10/2006-10/2007

Geriatrics Fellow
Indiana University, Indianapolis, Indiana, IN
Program Director: Glenda Westmorland, MD

10/2003-10/2006

Internal Medicine
SUNY-Upstate Medical University
Syracuse, NY
Program Director: Vincent Frechette, MD

7/2002-6/2003

Family Medicine Internship
Fouad Khoury Hospital
Beirut, Lebanon
Khalil Ashkar, MD

Research Experience

June 2016- July 2018

Age distribution and variants of papillary thyroid cancer in Southern Tier: a once center experience. Arnot Ogden Medical Center. Elmira, NY

01/2013-06/2014

Endocrinology Fellow.
Dr. Paul Davis.
Stratton VA Medical Center, Albany, NY.
Effect of Tetrac and its Nano Formulation on Melanoma Xenografts.

10/2013-6/2014

Endocrine fellow,
Dr. Jesse Block-Galarza
Incidence of previous exposure to radioactive iodine in patients with mucoepidermoid carcinoma.

11/2013

Endocrine fellow
Dr. Todd Beyer
Comparison of 25-Gauge and 18-gauge needle biopsies in the evaluation of thyroid nodules.

08/2005-06/2006

Resident Physician
Luna Bhatta, MD

SUNY, Upstate Medical University.

In admitted to hospital with chest pain, Troponin 1 is the only factor affecting subsequent cardiac intervention regardless of elevated Creatine Kinase (CK) or its isozyme CK-MB.

07/1999-0/1999

Research Assistant.

Mohamad Mikati, MD

American University of Beirut

changes happening on the molecular level in rat brain tissue after epilepsy.

6/1999-8/1999

Nadeem Salem MD

American University of Beirut Student

Health of taxi drivers in Lebanon : higher incidence of hypertension and coronary artery disease and very poor dental hygiene.

7/1997-7/1998

Hala Mouhtaseb, PhD

American University of Beirut Research Assistant

Programmed Cell Death (apoptosis) and effect of certain natural oils on cell death.

Publications

1. *Status Epilepticus-Induced Programmed Cell Death and Ceramide Increases Are NMDA Receptor Activation Dependent.* M. Mikati, R. Kurdi, *Y. Hazimeh*, Annals of Neurology, Publication Date: 09 / 2001, Volume: 50, number 3., Pages: supplement 1
2. *Massive Gastric dilation after a single binge in an anorectic woman.* Barada KA. Azar CR. Al-Kutoubi AO. Harb RS. *Hazimeh YM*. Abbas JS. Khani MK. Al-Amin HA [Case Reports. Journal Article] International Journal of Eating Disorders. 39(2):166-9, 2006 Mar.
3. *The Attitude of People in Beirut towards: "Mad Cow Disease."* Lebanese Corner: American University of Beirut. *Hazimeh, Y*; Massad, J; Merhi, Z, December 1999.

8. ***Predictors of Hospital Readmission after Bariatric Surgery.*** Abraham CR, Werter CR, Ata A, ***Hazimeh, Y***, Shah US, Bhakta A, Tafen M, Singh PT, Beyer TD, Stain SC, Journal of the American College of Surgeons. Vol. 221, No. 1, July 2015
9. ***Recurrence of Ectopic Cushing's syndrome 10 Years after Bilateral Adrenalectomy.*** Hazimeh Y, Khalaf Z, Ali S, Rayne D. Cureus. 2020 Nov 25; 12(11):e11704.
10. ***Adrenocortical Carcinoma: A Case of Missed Diagnosis.*** Hazimeh Y, Sigel C, Carie C, Leinung M, Khalaf Z. Cureus. 2021 Apr 1; 13(4):e14235.

Poster Presentations and Abstracts.

1. ***Adrenal Insufficiency Presenting with Decreased Cardiac Function. Yusef Hazimeh, MD;***
Wafic Wafa, MD; Sam Hamade, MD; Jenifer Kelly, MD.
2006 New York Chapter ACP Downstate Scientific Meeting. Lagoon Airport Marriott East Elmhurst, New York. March 25, 2006.
2. ***Acute Renal Failure from Ethylene Glycol Toxicity: An Unusual Presentation.***
Wafic Wafa, MD; ***Yusef Hazimeh, MD;*** John Leggat, MD.
2006 New York Chapter ACP Downstate Scientific Meeting. Lagoon Airport Marriott East Elmhurst, New York. March 25, 2006.
3. ***Intracerebral Hemorrhage, Dextran 70, and Incidental Finding of Von Willebrand Disease.***
Hamade, S, Husain J, ***Hazimeh Y***
2006 New York Chapter ACP Downstate Scientific Meeting. Lagoon Airport Marriott East Elmhurst, New York. March 25, 2006.
4. ***Acute T-Cell Lymphoblastic Leukemia Presenting with Low Back Pain and Diplopia.***
Hazimeh Y, Junagadhwalla M, Grethlein S.
2006 New York Chapter ACP Downstate Scientific Meeting. Lagoon Airport Marriott East Elmhurst, New York. March 25, 2006.
5. ***Refractory Aplastic Anemia and Pulmonary Hypertension.***
Sam Hamade, MD, Juhi Hussain MD, ***Yusef Hazimeh, MD***
New York Chapter ACP Downstate Scientific Meeting. Lagoon Airport Marriott East Elmhurst, New York. March 25, 2006.
6. ***Are CK and CKMB Necessary for Initial Screening of Myocardial Injury.***
Yusef Hazimeh, MD; Sam Hamade, MD ; Haydar Khadim, MD; Nancy Newman, MS; Luna Bhatta, MD.
Submitted to American Heart Association in May 2006 for the November 2006 AHA scientific meeting
7. ***Correlation Between Selective Cardiac Biomarker Troponin and Non-Selective Markers CK and CK-MB***

Yusef Hazimeh, MD; Hamade Sam, MD; Haydar Khadim, MD; Luna Bhatta, MD; Nancy Newman, MS. Submitted to American Heart Association in May 2006 for the November 2006 AHA scientific meeting.

8. *Well Differentiated Oncocytic Carcinoma of Thyroid By Histology with a Clinical Behavior like an Anaplastic Cancer*

Yusef Hazimeh, MD, Syed Mehdy, MD, Raina Patel, MD, Wei Wang, MD and Subhashini Yaturu, MD; Endocrine Society and International Congress of Endocrinology Meeting. Chicago; June 2014

9. *Adrenal Cell Carcinoma: A Missed Diagnosis*

Yusef Hazimeh, MD; Mary Luidens, MD; Carrie Carsello, MD; Carlie Sigel, MD; Matthew C Leinung, MD; Endocrine Society and International Congress of Endocrinology Meeting. Chicago; June 2014

10. *Severe Life-threatening Hypercalcemia Post Thyroidectomy in a Patient Treated with Calcitriol and Calcium Carbonate*

Hazimeh, Yusef MD; Marchese, Micheal MD; Luidens Mary; MD, American Association of Clinical Endocrinologist annual meeting. Las Vegas, May 2014

11. *A Patient with Elevated Testosterone and Gonadotropins: is it secondary hypergonadism?*

Hazimeh, Yusef MD; Yaturu S, MD. American Association of Clinical Endocrinologist annual meeting. Las Vegas, May 2014

12. *Recurrence of Ectopic Cushing's Syndrome 10 Years After Bilateral Adrenalectomy*

Ali, Sablaa, D.O., **Hazimeh, Yusef, M.D.** Endocrine Society meeting, April 1st, 2017. Orlando Florida

13. *Misdiagnosis of Hypothyroidism and Hyperprolactinemia in a Patient with SLE, found to Have Anti-Mouse Antibody.* Ali, Sablaa, D.O., **Hazimeh, Yusef, M.D.** Endocrine Society Meeting, April 1st, 2017. Orlando.

(competed in the Endocrine Society's Presidential Poster Competition for a first-authored top-scoring abstract for presentation at the Annual Meeting & Expo)

Conferences attended

1. *The 12th Annual Symposium on Advanced Diabetes Management for Endocrine Fellows*: Organized by Baylor college of medicine. November 2012. Dallas, Texas.
2. The 13th Goodman Diabetes Symposium: organized by Albany Medical College. Albany, New York, April 2013.
3. New England Thyroid Club annual conference: organized by Darmouth-Hitchcok Medical Center. Boston, Massachusetts, April 2013.
4. Endocrine Society meeting: San Francisco, California. June 2013
5. The 2013 Early Investigators Workshop: Organized by Endocrine Society: Indianapolis, Indiana. October 2013.
6. Endocrine University: March 2014. Mayo Clinic, Minnesota.
7. ICE/Endo Society: June 2014, Chicago, Illinois.
8. Endo Society: March 2015, San Diego, California.

9. Endo Society: April 2016, Boston, Massachusetts
10. Endo Society: April 2017, Orlando, Florida
11. Lebanese society of Endocrinology, diabetes and Lipidology. 21st Annual Congress. June 2018, Habtour Grand Hotel, sinn-Elfil, Beirut, Lebanon,
12. 6th EndoBridge Meeting October 25-28, 2018. Antalya, Turkey.
13. Lebanese society of Endocrinology, diabetes and Lipidology. 22nd Annual Congress. June 2019, Habtour Grand Hotel, sinn-Elfil, Beirut, Lebanon.

Jobs

1. **Attending Physician:** E. J noble Hospital in Gouverneur, NY. October 2007-June 2012
2. **Medical Director:** Kinney Nursing Home in Gouverneur NY. October 2007-June 2012
3. **Chairman:** Kinney Nursing Home Committee. October 2007-June 2012
4. **Cochairman:** Internal Medicine and Infection Control Committee. E. J noble Hospital in Gouverneur, NY. January 2010-June 2012
5. **Vice president of Chief of Staff:** E. J. Noble Hospital. Gouverneur, NY. July 2011-July 2012
6. **Adjunct Clinical Faculty:** Rochester Institute of Technology, Rochester, New York. January 2010 –June 2012
7. **Adjunct Experimental Faculty:** Albany College of Pharmacy and Health Science (ACPHS). Albany NY. January 2009- June/2012
8. **Adjunct Faculty:** SUNY, Upstate Medical University, Physician Assistant Program. Syracuse. New York. July 2011-July2012.
9. **Part time hospitalist:** Saint Peters Hospital, Albany, NY. October 2012 till July 2014
10. **Assistant Professor of Medicine, Division of Endocrinology:** Albany medical College. Albany, NY. October 2014 till December 2015.
11. **Speaker for Boehringer Ingelheim:** October 2014-January 2016. And January 2019 till present
12. **Speaker for Sanofi:** April 2016- December 2018. Then January 2019 till present
13. **Endocrinology Fellowship Program Director:** Lake Erie College of Osteopathic Medicine. Arnott Ogden Medical Center, Elmira, NY. January 1st 2016 till December 30th, 2018
14. **Adjunct clinical professor.** Lake Erie College of Osteoporotic Medicine. January 1, 2016 till December 2018.
15. **Head of Endocrinology:** Arnot Ogden Medical Center, Elmira, NY. January 1st 2016 till December 2018.t
16. **Endocrinologist at Clemenceau Medical Center** –Affiliated with John’s Hopkins. Beirut, Lebanon January 2018 till present
17. **Speaker and advisory board committee member:** Novo Nordisk Lebanon June 2019 till present
18. **Chief of Endocrinology. Zahraa University Hospital.** Beirut. February 2020 till present
19. **Chief of Endocrinology Services and Endocrinology Fellowship director. Assistant Professor of Medicine.** Lebanese University. Beirut, Lebanon. February 2020 till present
